No Lot shall be conveyed by the Owner separately from the interest in the Common Area, if any, subject to the provisions of Section 3.3. Any conveyance of any Lot shall automatically transfer the right to use the Common Area without the necessity of express reference in the instrument of conveyance. There shall be no judicial partition of the Common Area. Each Owner, whether by deed, gift, devise or operation of law, for his own benefit and for the benefit of all other Owners, specifically waives and abandons all rights, interests and causes of action for judicial partition of any interest in the Common Area and does further agree that no action for judicial partition shall be instituted, prosecuted or reduced to judgment. The ownership interest in the Common Area and Lots described in this Article are subject to the easements granted and reserved in this Declaration. Each of the easements reserved or granted herein shall be deemed to be established upon the recordation of this Declaration and shall forever be deemed to be covenants running with the

land for the use and benefit of the Owners and their Lots and shall be superior to all other encumbrances applied against or in favor of any portion of Champion Village.

3.2 Ownership of Lots. Title to each Lot in Champion Village shall be conveyed in fee to an Owner. If more than one person and/or entity owns an undivided interest in the same Lot, such person and/or entities shall constitute one Owner.

3.3 Ownership of Common Areas. The Board of Directors may convey title to any present or future Common Area Tracts, if any, to a City, County or other Government agency.

3.4 Easements. Individual deeds to Lots may, but shall not be required to, set forth the easements specified in this Article.

(b) Easements for Common Area. Every Owner shall have a non-exclusive right and easement of use and enjoyment in and to the Common Area, which shall be appurtenant to and shall pass with the title to every Lot.

(c) Easements Reserved by Declarant. So long as Declarant owns any Lot, Declarant reserves an easement over, under and across the Common Areas in order to carry out sales activities necessary or convenient for the sale of Lots. In addition, Declarant hereby reserves to itself, and for its successors and assigns, a perpetual easement and right-of-way for access over, upon and across the Common Areas for construction, utilities, communication lines, drainage, and ingress and egress for the benefit of the Lots or other property owned by Declarant. Declarant, for itself and its successors and assigns, hereby retains a right and easement of ingress and egress over, in, upon, under and across the Common Area and the right to store materials thereon and to make such other use thereof as may be reasonably necessary or incident to the construction of the improvements on the Property or other real property owned by Declarant in such a way as to not unreasonably interfere with the occupancy, use, enjoyment or access to an Owner's Lot by that Owner or his family, tenants, guests or invitees.

Notwithstanding anything expressed or implied to the contrary, this Declaration shall be subject to all easements granted by Declarant for the installation and maintenance of utilities and drainage facilities necessary for the development of Champion Village. No structure, planting or other material shall be placed or permitted to remain within any easement area which may damage or interfere with the installation or maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each Lot and all improvements thereon shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public

authority, utility company or the Association is responsible. In addition, an easement is specifically reserved to the Owners of any contiguous Home in each structure, and the Association, as their interests may exist, for access to, and right of repair or service to utility and/or drainage lines and facilities which exist on each Lot for common use of Owners in said structure.

Any plantings which are added to the front yard or side yard areas by Owners will be at the sole expense of the Owner and the Owner shall be solely responsible for their maintenance and survival. Further, the Association and their landscape maintenance contractor will bear no responsibility for the survival, maintenance, damage or replacement of homeowner installed plants.

(h) Drainage Lines. The Association shall maintain the drainage lines for gutters and downspouts from the Homes to the point of intersection with the publicly owned storm drain facility. The Association hereby reserves a maintenance easement for said drainage lines pursuant to 3.4 (e) and 3.4 (i) as set forth in this Declaration.

(c) the right of the Owner of a Lot to maintain his professional or personal library, keep his personal business or professional records or accounts, handle his personal business or professional telephone calls or confer with business or professional associates, clients or customers, in his residence, so long as such activity is not observable outside of the residence, does not significantly increase parking or vehicular traffic, or is in violation of applicable local government ordinances.

The Board of Directors shall not approve commercial activities otherwise prohibited by this paragraph unless the Board determines that only normal residential activities would be observable outside of the residence and that the activities would not be in violation of applicable local government ordinances.

4.2 Construction. Except for construction performed by or contracted for by Declarant, no construction, reconstruction or exterior alterations shall occur on any Lot, unless the approval of the ARC is first obtained pursuant to Article 6. Consideration such as siting, shape, size, color, design, height, solar access, or material may be taken into account by the ARC in determining whether or not to consent to any proposed work. Such work includes, but is not limited to Homes, storage shelters, swimming pools, spas, landscaping, greenhouses, patios, fencing, basket ball hoops or remodeling. The intent of this covenant is to ensure quality of workmanship and material, harmony of external design with the existing and planned structures as to location and visual compatibility and finish grade elevations. Original construction designs, materials and product specifications by Declarant may vary from any or all specified in this document. All construction performed by or contracted for by Declarant, shall be presumed to have met these minimum requirements or have been granted a variance thereto.

4.3 The following restrictions are minimum standards applicable to all Lots:

(a) Height. No Home shall exceed three (3) stories in height above the ground;

(b) Floor Area. The square footage area of a Home shall not be less than one thousand one hundred (1,100) square feet exclusive of attics, patios, decks, porches, balconies and garages;

before permanent occupancy. Garages are to be maintained primarily for the storage of automobiles or similar vehicles. No garage may be enclosed or otherwise used for habitation, nor may any garage door be removed except when necessary to repair or replace a garage door with the same type of garage door.

(d) Security Doors/Windows and Screen Doors. No security doors and no exterior security bars or devices on windows and doors shall be installed without the prior written approval of the ARC. If the ARC approves any type security door or window security, such approval shall encourage or require a single style for all Homes so they will maintain a uniform and aesthetic appearance.

4.4 Completion of Construction. The construction of any building on any Lot, including painting and all exterior finish, shall be completed within twelve (12) months from the beginning of the construction so as to present a finished appearance when viewed from any angle. This shall exclude any construction by Declarant. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable length of time upon written approval from the ARC. The Lot and building area shall be kept reasonably clean and in workmanlike order, free of litter, during the construction period with a garbage disposal facility located on site during such construction period. If construction has not commenced within three (3) months after the project has been approved by the ARC, the approval shall be deemed revoked unless the Owner has applied for and received an extension of time from the ARC.

4.5 Landscaping. The Association shall maintain irrigation and landscaping on front yards and street side yards, including street frontage planter strips for all Lots, or as so modified by the Board or duly authorized vote of the Owners. Owners may use any enclosed side and rear yard for any purpose not prohibited hereunder, provided such use is not deemed, by the ARC or the Association to be a nuisance. Maintenance of said enclosed side and rear yard areas is Owner's sole responsibility.

(a) Landscape installation of rear yards or enclosed areas on Lot by Owners is subject to approval by the ARC. Said completed landscaping on Lots shall be installed by Owners no later than 6 months after occupancy. All landscaping maintenance on Lots shall be maintained in a good condition, including watering, weeding, pruning, fertilization, mowing and other forms of maintenance. If Owner fails to maintain said landscaping, Declarant, or Association in their place reserves the rights outlined in Section 4.22 to maintain.

(b) Declarant reserves the right to install and maintain landscape improvements on Lots for sales and marketing purposes, and hereby reserves a landscape easement on the front yards of said Lots and the street side yards for this purpose. Declarant is not obligated to provide any landscaping in said areas noted in this section.

4.6 Exterior Maintenance. The Association shall provide exterior maintenance upon each Home as follows: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, and other exterior improvements, including, without limitation, exterior garage face light fixtures (except light bulbs) and the exterior portions of any chimneys, rain gutters and downspouts. Such

exterior maintenance does not include repair, maintenance or replacement of doors, windows, screens, skylights, and other glass surfaces, except to the extent of the proceeds of the Association's insurance, or driveways, pathways, sidewalks or any front and rear porches. The Association shall maintain the landscaping in outside of front and rear yard fences, in accordance with Section 4.5. The cost of such maintenance by the Association shall be a common expense paid out of Assessments described in Article 10. In the event, however, the need for such maintenance or repair is caused by the willful or negligent act or omission of an Owner, vandalism, his or her family, tenants, guests or invitees, and to the extent such maintenance or repair is not covered by the Association's insurance policy, the costs of such maintenance and repair may, in the sole discretion of the Board of Directors, be charged to the Owner as an individual Assessment.

4.7 Rental of Homes. An Owner shall be entitled to rent or lease his residence provided:

(a) Written Rental Agreements Required. There is a written rental or lease agreement specifying that:

(i) the tenant shall be subject to all provisions of the Declaration, Bylaws and Rules and Regulations, and

(iii) copy of the rental agreement is proved to the HOA within 30 days of tenant occupancy.

(b) Minimum Rental Period. The period of the rental or lease is not less than thirty (30) days; and

(c) Tenant Must Be Given Documents. The Owner gives each tenant a copy of the Declaration, Bylaws and Rules and Regulations.

(e) Management. Any property owner, excluding Declarant, who leases or rents more than one Lot in the Association must have it professionally managed by a licensed property management company approved by the HOA board of directors.

4.8 Animals. No animals, livestock or poultry of any kind shall be raised, bred, kept or permitted within any Lot other than a reasonable number of household pets which are not kept, bred or raised for commercial purposes and which are reasonably controlled so as not to be a nuisance. Any inconvenience, damage or unpleasantness caused by such pets, including noise, shall be the responsibility of the respective Owners thereof. No dogs shall be permitted to roam the Property unattended, and all dogs shall be kept on a leash while outside a Lot. An Owner may be required to remove a pet from the property upon the receipt of the third notice in writing from the Association Board of Directors of violation any rule, regulation or

4.10 Parking and allowed Vehicles. Parking of boats, trailers, commercial vehicles, mobile homes, campers, other recreational vehicles or equipment regardless of weight shall not be allowed on any part of the Lot or Common Area. Parking shall only be in garages or driveways if no portion of the vehicle overhangs the street, sidewalks or pathways. Garages shall be primarily used for vehicular parking and not solely for storage. In addition, parking of vehicles is prohibited on any public or private street or Common Area within the Property unless so designated as a parking area. Lot owner or occupant shall be allowed more vehicles than can be parked on their Lot plus one additional. Penalties and fines will apply.

4.11 Vehicles in Disrepair. No Owner shall permit any vehicle, which is not currently licensed or is in an extreme state of disrepair to be abandoned or to remain parked upon any Lot for a period in excess of forty-eight (48) hours, nor on a common area for any length of time. A vehicle shall be deemed in an "extreme state of disrepair" when the Board of Directors reasonably determines that its presence offends the Owners and Occupants. Should any Owner fail to remove such vehicle within five (5) days following the date on which the notice is mailed to him by the Association, the Association may have the vehicle removed from the Property and charge the expense of such removal to the Owner. No repair or maintenance of vehicles shall be allowed in parking spaces. All oil or grease on roadways or driveways shall be cleaned up immediately by Owner. Violation of public street parking shall be reported on occurrence and is subject to municipal ordinances and penalties.

4.12 Signs. No signs shall be erected or maintained on any Lot except that not more than one "For Sale" or "For Rent" sign placed by the Owner, or by a licensed real estate agent, not exceeding twenty-four (24) inches high and thirty-six (36) inches long, may be temporarily displayed on any Lot, subject to the provisions of Section 9.2 below. The restrictions contained in this paragraph shall not prohibit the temporary placement of "political" signs on any Lot by the Owner or Occupant, or construction and marketing related signage by the Declarant or his/her/their contractors. No signs of any kind, other than Declarant's marketing signs, and any Association signs for the common good of the community, which have been previously approved by the Board of Directors, will be allowed on Common Areas.

4.13 Rubbish and Trash. No Lot or part of the Common Area shall be used as a dumping ground for trash or rubbish of any kind. All garbage and other waste shall be kept in appropriate containers for timely and proper disposal, out of public view. Yard rakings, dirt and other material resulting from landscaping work shall not be dumped onto streets, the Common Areas or any other Lots. Should any Owner fail to remove any trash, rubbish, garbage, yard rakings or any such materials from any Lot, any roadways or Common Area where deposited by him within five (5) days following the date on which notice is mailed to him by the Board of Directors, the Association may have such materials removed and charge the expense of such removal to the Owner. Each Owner is responsible for trash disposal, and shall

remove individual trash containers within 12 hours of collection. No trash and storage containers shall be visible from any adjacent street or neighboring Lot, and shall not be allowed to emit any odors or attract insects or rodents. Penalties and fines will apply.

4.14 Fences and Hedges. No fences or boundary hedges shall be installed without prior written approval of the ARC. Any fencing installed on Owner's Lots either by Owner, or by Declarant, will be Owner's maintenance responsibility. All fences that are Owner's responsibility are to be maintained in condition acceptable to Board and ARC. Fences on any Common Area properties along the perimeter boundaries of the Plat will be maintained by the Association. All side yard fencing shall maintain a five (5) foot setback from the front of the house. Further no fencing will be allowed in the front yard. All utility lines, including those shared in common with Owners of any contiguous Home in the same structure, shall be maintained, repaired and replaced by the Owner of each Lot, or all Owners individually and collectively at their sole expense, as may be determined. The Association will be responsible for the maintenance of the drainage lines for gutters from the Homes to the point of intersection with the publicly owned storm drain facility. The Association is not responsible for the maintenance of any utility, cable TV, or phone services of the facilities. The ARC shall approve the exterior location of any heating and air conditioning compressors or heat pumps in advance of installation. Said locations must take into consideration the noise and view from adjacent Homes.

4.16 Antennas, Satellite Dishes and Solar Collectors. No Owner may erect or maintain exterior antennas, microwave, aerial tower or other devices for the transmission or reception of television, radio or other forms of sound or electromagnetic radiation, or solar collector panels or equipment upon any Lot unless such apparatus is erected and maintained in such a way that it is screened from public view along the street right-of-way directly in front of the house erected on the Lot, the side, in the case of a corner Lot, and from any neighboring Home. No such apparatus shall be erected without the prior written consent from the ARC. Exterior satellite dishes with a surface diameter of eighteen (18) inches or less may be placed on any Lot so long as they are not visible from the street and are screened from all neighboring property. The authority of the ARC in this matter shall be subject to any regulations issued by the Federal Communications Commission ("FCC") or any other applicable governmental authority.

4.17 Exterior Lighting or Noisemaking Devices. Except with the consent of the ARC, no exterior lighting or noisemaking devices shall be installed or maintained on any Lot, other than security and fire alarms. However, false alarms of security and fire systems will not be allowed to repeatedly occur.

4.18 Grades, Slopes, and Drainage. There shall be no interference with the established drainage patterns or systems over or through any Lot within project so as to affect any other Lot or Common Area or any real property outside project unless adequate alternative provision is made for proper drainage and is approved

by the ARC. The term "established drainage" shall mean any drainage swales, conduits, inlets and outlets designed and constructed for the project.

4.19 Damage or Destruction to Home and/or Lot. If all or any portion of a Lot or Home is damaged by fire or other casualty, the Owner shall either (a) restore the damaged improvements or (b) remove all damaged Improvements, including foundations, and leave the Lot in a clean and safe condition. Any restoration proceeding under (a) above must be performed so that the improvements are in substantially the same condition in which they existed prior to the damage, subject to current governmental regulations and building codes, provisions of Article 6 to be complied with by the Owner. The Owner must commence such work within sixty (60) days after the damage occurs and must complete the work within six (6) months thereafter.

4.20 Detached Buildings. No detached accessory buildings, including, but not limited to, detached garages, storage buildings, greenhouses, children's playhouses and similar structures, shall be built without the prior written consent of the ARC. Every outbuilding shall be compatible with the dwelling to which it is appurtenant in terms of its design and material composition. Outbuildings shall be of a one (1) story design and the outside walls shall not exceed eight (8) feet in height, nor will the overall height exceed fifteen (15) feet, measured from the existing Lot grade; or have total floor area in excess of ten (10) percent of the first floor area of the main dwelling (excluding the area of the garage and any porches). No such buildings shall be used as additional living space and none shall contain any plumbing.

4.21 Owner's Maintenance Obligations. Each Owner shall maintain their Home and Improvements in a clean and attractive condition, in good repair and in such a fashion as not to create a hazard of any kind. Maintenance of exteriors by the Association is as outlined in this Declaration, including Section 4.6, and shall include painting, staining, re-staining, repairing, and replacing of all exterior surfaces, including roofs and roof overhangs; and maintaining, repairing and replacing exterior lighting fixtures, the exterior portions of chimneys, rain gutters, and down spouts. However, Owners are responsible for maintenance, replacement, painting, repair and general upkeep of all exterior doors, including the garage door, all windows and skylights, all driveways, pathways, front and rear porches, and any sidewalk areas adjacent to or on the Lot. All work on such items is subject to ARC review and approval prior to commencement of work.

In the event repair or replacement of the common foundations of a Building Structure or common firewall (which terms shall have the same meaning as party walls) of a Building Structure should become necessary or appropriate, then the Owners of the Homes within the Building Structure that required such repair or replacement shall be jointly responsible for such repair and/or replacement, and the Owners of such affected Homes shall share equally in the expense of such repair and replacement. In the event an Owner of a Home determines repair or replacement of the common foundations or common firewalls of a Building Structure is necessary or appropriate, that Owner shall notify the other Owners of the affected Homes within the Building Structure of the need to perform such repair or replacement. If a majority of the Owners of the affected Homes within the Building Structure agree that such repair or replacement is necessary, they shall jointly cause such work to be performed, and each Owner of an affected Home shall pay an equal portion of the expense of such work. If an Owner of an affected Home determines repair or

replacement of the common foundations or common firewalls of a building Structure is necessary or appropriate and a majority of the Owners of the other Homes affected or claim to be affected do not concur with such determination, then the Owners of the Homes affected (or claimed to be affected) shall mutually agree upon and retain a professional engineer licensed in the State of Oregon having at least five (5) years experience in such matters to inspect the common foundations or common firewalls, and such engineer shall make a determination as to whether such repair or replacement is required. The determination of such engineer shall be binding to the affected Owners, and all expenses and fees of the engineer and of the repair or replacement work required to be performed if any, shall be borne as provided in this Section. In the event the Owners of Homes so affected or claimed to be so affected cannot agree upon a professional engineer having the required qualifications within a 30-day period, then any of the affected Owners may make application to the ARC, which shall select such engineer having the requisite qualifications. The fees and expenses of the engineer shall be shared equally by the Owners of the Homes affected or claimed to be affected. In the event the Owner of an affected Home fails to contribute to the expense of the repair or replacement of the common foundation or common firewalls by thirty (30) days after written demand therefore, then the amount not paid or reimbursed, as well as interest thereon at the rate of twelve percent (12%) per annum from the date of such written demand shall become a charge and lien against the Owner of a Home failing to make such payment or reimbursement. Each Owner of Homes shall be deemed to have agreed by acceptance of a deed conveying the Home, that any such lien shall be effective without the necessity of obtaining the joinder of such Owner in the execution of any instrument, upon the filing by another Owner of an affected Home of a claim of lien in the Official Records of Clackamas County, Oregon.

4.22 Right of Maintenance and Entry by Association. If an Owner fails to perform maintenance and/or repair which he is obligated to perform pursuant to this Declaration for buildings or landscaping, and if the Board determines, after notice and a hearing (given pursuant to the provisions of the Bylaws), that such maintenance and/or repair is necessary to preserve the attractiveness, quality, nature and/or value of Champion Village, the Board may cause such maintenance and/or repair in connection therewith to be performed and may enter any such Lot whenever entry is necessary in connection with the performance of any maintenance or construction which the Board is authorized to undertake. Entry shall be made with as little inconvenience to an Owner as practicable and only after advance written notice of not less than forty-eight (48) hours, except in emergency situations. Such right of maintenance shall include, but not be limited to, buildings, street trees and front and side yard landscape.

4.23 Association Rules and Regulations. The Board of Directors, from time to time, may adopt, modify or revoke Rules and Regulations governing the conduct of persons and the operation or use of Lots, Townhomes, and Common Areas, as it may deem necessary or appropriate in order to assure the peaceful and orderly use and enjoyment of the Property. A copy of any Rules and Regulations, upon adoption, amendment, modification or revocation thereof shall be delivered by the Board of Directors promptly to each Owner and shall be binding upon all Owners and Occupants of all Lots upon date of creation, the date of delivery or notice. The method of adoption of such Rules and Regulations shall be provided in the Bylaws of the Association.

4.24 City Ordinances and Regulations. The standards and restrictions of Article 4 shall be the minimum required. To the extent the ordinances and regulations of Sandy, Oregon are more restrictive or provide for a higher or different standard, the ordinances and regulations of Sandy, Oregon, or any jurisdiction the Property may be annexed into, shall prevail.

4.25 Violation. The Association may impose a fine, charge or penalty for any violation of this Declaration, the Bylaws and Rules and Regulations after reasonable notice of the violation. Additionally, the Association may seek injunctions or other equitable relief or may file an action for money damages owing from such violations.

4.26 Security. The Association is not responsible for security of the neighborhood or any Homes and the Owners are exclusively responsible for security of their Home and Property.

ARTICLE 5

COMMON AREA

5.1 Use of Common Areas. Use of Common Areas, if any, is subject to the provisions of the Declaration, Bylaws, Articles and Rules and Regulations promulgated by the Board of Directors. There shall be no use of the Common Area except by Owners and their invitees. There shall be no obstruction of any part of the Common Area. Nothing shall be stored or kept in the Common Area without the prior written consent of the Board of Directors. No alterations or additions to the Common Area shall be permitted without the prior written approval by the Board of Directors. Nothing shall be stored or kept in the Homes or Common Area, which will increase the rate of insurance on the Common Area without the prior written consent of the Board.

5.2 Maintenance of Common Area. The Association shall be responsible for maintenance, repair, replacement, and upkeep of the Common Area, including, but not by way of limitation, all drainage systems, landscaping, irrigation systems, benches, common area lighting not maintained by a public agency, fencing, pathways and any other Improvements that may be included in Common Area. The Association shall keep the Common Area and improvements thereon in good condition and repair, provide for all necessary services and cause all acts to be done which may be necessary or proper to assure the maintenance of the Common Area in first class condition.

5.3 Alterations to Common Area. Only the Association shall construct, reconstruct, or alter any improvement situated upon the Common Area. A proposal for any construction of or alteration, maintenance or repair to an improvement may be made at any meeting. A proposal may be adopted by the Board, subject to the limitations contained in the Bylaws and the Declaration.

5.4 Funding. Expenditures for alterations, maintenance or repairs to an existing capital improvement for which a reserve has been collected shall be made from the reserve account. As provided in Section 10.6, the Board may levy a special assessment to fund any construction, alteration, repair or maintenance of an improvement (or any other portions of the Common Area) for which no reserve has

been collected or for which the reserve account is insufficient to cover the cost of the proposed improvement.

5.5 Landscaping. All landscaping on any Lot or portion of the Common Area shall be maintained and cared for in a manner consistent with the standard of design and quality as originally established by Declarant or the ARC. The Association shall be responsible for all landscaping located in any Common Area properties. Any owner maintained areas shall be kept free of weeds and diseased or dead lawn, tree, ground cover or shrubs shall be promptly removed and replaced. All lawn areas shall be fertilized and neatly mowed, and trees and shrubs shall be fertilized and neatly trimmed on a regular basis.

5.6 Condemnation of Common Area. If all or any portion of the Common Area is taken for any public or quasi-public use under any statute, by right of eminent domain or by purchase in lieu of eminent domain, the entire award shall be received by and expended by the Board of Directors in a manner which in their discretion is in the best interest of the Association. The Association shall represent the interest of all Owners in any negotiations, suit or action or settlement in connection with such matters.

5.7 Damage or Destruction of Common Area. In the event any Common Area is damaged or destroyed by an Owner or any of his Occupants, guests, tenants, licensees, agents or members of his family in a manner that would subject such Owner to liability for such damage under Oregon law, such Owner does hereby authorize the Association to repair such damage. The Association shall repair the damage and restore the area in workmanlike manner as originally constituted or as may be modified or altered subsequently by the Association in the discretion of the Board of Directors. The reasonable cost necessary for such repairs shall become a special assessment upon the Lot of the Owner who caused or is responsible for such damage.

ARTICLE 6

ARCHITECTURAL REVIEW COMMITTEE

6.1 Architectural Review. No improvement shall be commenced, erected, placed or altered on any Lot until the construction plans and specifications showing the nature, shape, heights, materials, colors, and proposed location of the improvement have been submitted to and approved in writing by the ARC. It is the intent and purpose of this Declaration to assure quality of workmanship and materials and to assure harmony of exterior design with the existing improvements and landscaping. The ARC is not responsible for determining compliance with structural and building codes, solar ordinances, zoning codes or other governmental regulations, all of which are the responsibility of the Lot Owners. The procedure and specific requirements for review and approval of construction may be set forth in design guidelines adopted from time to time by the ARC. Construction by the Declarant is presumed to have been approved and is thereby exempt from this review. In all cases which the ARC consent is required by this Declaration, the provision of this Article shall apply.

6.2 Architectural Review Committee, Appointment and Removal. The ARC shall consist of no fewer than three (3) members and no more than five (5)

members, as the Declarant may appoint from time to time. Declarant reserve the right to appoint all members of the ARC and all replacements thereto until Champion Village is one hundred percent (100%) built out. Until seventy-five percent (75%) of the Homes have been conveyed by the Declarant to new Owners, the Declarant may appoint a single person to serve as the ARC. After build out, Declarant shall delegate the right to appoint and remove members of the ARC to the Board of Directors. The terms of office for each member of the ARC shall be for one (1) year unless lengthened by the Board at the time of appointment or unless the Board serves as the ARC in which event the terms of the ARC members shall be the same as their terms as Board members. The Board may appoint any or all of its members for the ARC and there should be no requirement for non-Board members on the ARC. The Board may appoint one or more members to the ARC who are not Owners, but who have special expertise regarding the matters which come before the ARC. In the sole discretion of the Board, such non-Owner members of the ARC may be paid and that cost paid by applicants or the Association.

6.3 Majority Action. Except as otherwise provided in this Declaration, a majority of the members of the ARC shall have the power to act on behalf of the ARC without the necessity of a meeting and without the necessity of consulting the remaining member of the ARC. The ARC may render its decision only by written instrument setting forth the action taken by the members consenting thereto.

6.4 Duties. The ARC shall consider and act upon the proposals and/or plans submitted pursuant to this Article. The ARC, from time to time and at its sole discretion, may adopt architectural rules, regulations and guidelines ("Architectural Standards"). The Architectural Standards shall interpret and implement the provisions of this Declaration for architectural review and guidelines for architectural design, placement of buildings, color schemes, exterior finishes and materials and similar features which may be used in project; provided, however that the Architectural Standards shall not be in derogation of the minimum standards established by this Declaration.

6.5 ARC Decision. The ARC shall render its approval or denial decision with respect to the construction proposal within twenty (20) working days after it has received all material required by it with respect to the application. All decisions shall be in writing. In the event the ARC fails to render its decision of approval or denial in writing within sixty (60) days of receiving all material required by it with respect to the proposal, the application shall be deemed approved. Approval by the ARC does not imply government approval which is solely the responsibility of the Owner.

6.6 ARC Discretion. The ARC may, at its sole discretion, withhold consent to any proposed work if the ARC finds the proposed work would be inappropriate for the particular Lot or incompatible with the design standards that the ARC intends for Champion Village. Consideration such as siting, shape, size, color, design, height, solar access, or other effect on the enjoyment of other Lots or the Common Area, and any other factors which the ARC reasonably believe to be relevant, may be taken into consideration by the ARC in determining whether or not to consent to any proposed work.

6.7 Non-waiver. Consent by the ARC to any matter proposed to it or within its jurisdiction shall not be deemed to constitute a precedent or waiver impairing the ARC's right to withhold approval as to any similar matter thereafter proposed or submitted to it for consent.

6.8 Appeal. At any time after Declarant has delegated appointment of the members of the ARC to the Board of Directors pursuant to Section 6.2, any Owner adversely impacted by action of the ARC may appeal such action to the Board of Directors. Appeals shall be made in writing within ten (10) days of the ARC's action and shall contain specific objections or mitigating circumstances justifying the appeal. If the Board is already acting as the ARC, the appeal shall be treated as a request for a rehearing, but in such case the Board must actually meet and receive evidence and argument. A final, conclusive decision shall be made by the Board of Directors within fifteen (15) days after receipt of such notification. The determination of the Board shall be final.

6.9 Effective Period of Consent. The ARC's consent to any proposed work shall automatically be revoked three (3) months after issuance unless construction of the work has been commenced or the Owner has applied for and received an extension of time from the ARC.

6.10 Determination of Compliance. The ARC shall inspect, from time to time, all work performed and determine whether it is in substantial compliance with the approval granted. If the ARC finds that the work was not performed in substantial conformance with the approval granted, or if the ARC finds that the approval required was not obtained, the ARC shall notify the Owner in writing of the noncompliance. The notice shall specify the particulars of any noncompliance and shall require the Owner to take the necessary action to bring the work into compliance with the approved project.

6.11 Non-compliance. If the ARC determines that an Owner has not constructed an improvement consistent with the specifications on which approval is based, and if the Owner fails to diligently commence to remedy such non-compliance in accordance with the provisions of the notice of noncompliance, then at the expiration of the third (3rd) day from the date of such notification, the ARC shall provide a notice of a hearing to consider the Owner's continuing non-compliance. The hearing shall be set not more than thirty (30) days from the date of the notice of non-compliance. At the hearing, if the ARC finds that there is no valid reason for the continuing non-compliance, the ARC shall determine the estimated costs of correcting it. The ARC shall then require the Owner to remedy or remove the same within a period of not more than ten (10) days from the date of the ARC's determination. If the Owner does not comply with the ARC's ruling within such period or within any extension of such period as the ARC, at its discretion, may grant, the Association may (a) remove the non-complying improvement, (b) remedy the non-compliance, or (c) file suit to compel compliance. The costs of such action shall be assessed against the Owner and his Lot, including all attorneys' fees and other costs expended and incurred to enforce compliance before suit or action is filed and at trial or on any appeal or review of therefrom.

6.12 Liability. Neither the ARC, the Board, their agents, nor any member thereof shall be liable to any Owner, Occupant, or builder for any damage, loss or prejudice suffered or claimed or claimed to be suffered arising from any action by the ARC or a member thereof or failure of the ARC or a member thereof, provided only that the member has acted in good faith in accordance with the actual knowledge possessed by him.

6.13 Estoppel Certificate. Within fifteen (15) working days after written request is delivered to the ARC by an Owner, and upon payment to the ARC of a reasonable fee fixed by the ARC to cover costs, the ARC shall provide such Owner with a certificate executed by the Chairman of the ARC, and acknowledged, certifying with respect to any Lot owned by the Owner, that as of the date thereof either (a) all improvements made or done upon or within such Lot by the Owner comply with this Declaration or any Rules and Regulations either promulgated by the Board or the ARC, or (b) such improvements do not so comply, in which event, the certificate shall also identify the non-complying improvements and set forth with particularity the nature of such noncompliance. The Owner, his heirs, devisees, successors and assigns shall be entitled to rely on the certificate with respect to the matters set forth. The certificate shall be conclusive as between the Declarant, the ARC, the Association and all Owners, and all such persons deriving an interest through any of them.

ARTICLE 7

CHAMPION VILLAGE OWNERS' ASSOCIATION

7.1 Members. Each Owner shall be a mandatory member of the Association. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of any Lot. Transfer of ownership of a Lot automatically transfers membership in the Association. Without any other act or acknowledgement, Occupants and Owners shall be governed and controlled by this Declaration the Articles, Bylaws, and Rules and Regulations and any amendments thereof.

7.2 Proxy. Each Owner may cast his vote in person, pursuant to a proxy executed by the Owner, or by written ballot, as provided by ORS 65.222. An Owner may not revoke a proxy given pursuant to this section except by actual notice or revocation to the person presiding over a meeting of the Association. A proxy shall not be valid if it is undated or purports to be revocable without notice. A proxy shall terminate one (1) year after its date, unless the proxy specifies a shorter term.

7.3 Voting Rights. The Association shall have two (2) classes of voting members.

(a) Class A. Class A members shall be all Owners of Lots other than the Declarant, and each Class A member shall be entitled to one (1) vote for each Lot owned with respect to all matters upon which Owners are entitled to vote.

(b) Class B. The Class B member shall be Declarant, their successors and assigns. The Class B member shall have three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership upon the earlier of:

(i) When eighty percent (80%) of the Lots have been sold and conveyed to Owners other than Declarant ("Termination Date"); or

(ii) At such earlier time as Declarant may elect in writing to terminate Class B membership.

Thereafter, each Owner, including the Declarant, shall be entitled to one (1) vote for each Lot owned with respect to all matters upon which Owners are entitled to vote, and the total number of votes shall be equal to the total number of Lots.

When more than one (1) person or entity owns a Lot, the vote for such Lot may be cast as they shall determine, but in no event will fractional voting be allowed. Fractional or split votes shall be disregarded, except for purposes of determining a quorum. The total number of votes as of the Termination Date and thereafter shall be equal to the total number of Lots.

7.4 Procedure. All meetings of the Association, the Board of Directors, the ARC, and Association committees shall be conducted with such rules of order as may from time to time be adopted by the Board of Directors. Notwithstanding which rule of order is adopted, the chairman shall be entitled to vote on all matters, not merely to break a tie vote. A tie vote does not constitute a majority or approval of any motion or resolution.

ARTICLE 8

DECLARANT CONTROL

8.1 Interim Board and Officers. Transitional Advisory Committee, Declarant or the Owners shall form a transitional advisory committee (the "Transitional Advisory Committee") to provide for the transition from administrative responsibility by Declarant for the Property to administrative responsibility by the Association, in accordance with Article XI, Section 1 of the Bylaws.

8.2 Turnover Meeting. The Declarant shall call a meeting for the purpose of turning over administrative control of the Association from the Declarant to the Class A members within ninety (90) days of the earlier of:

(a) Upon Sale of Lots. The date that Lots representing eighty percent (80%) of Lots subject to this Declaration, plus any recorded annexation of additional Lots, have been conveyed to persons other than the Declarant; or

(b) Declarant's Earlier Election. At such earlier time as Declarant may elect in writing to terminate Class B membership.

The Declarant shall give notice of the meeting to each Owner as provided in the Bylaws. If the Declarant does not call the meeting required under this Section, any Owner may do so.

8.3 Board of Directors. At and following Turnover, the Board of Directors of the Association shall be comprised of five (5) directors. The directors will be elected by a plurality of the total membership of the Champion Village Owners' Association. In the event of a vacancy occurring on the Board, the position of such director(s) shall be filled in accordance with the terms and provisions of the Bylaws through appointment by the Board of Directors. The Directors elected at the Turnover Meeting shall serve until the first annual meeting of the Corporation. At the first annual meeting, the Owners shall elect Directors as described in Article V, Section 4 of the Bylaws, such that terms will be staggered so that two Directors shall serve a

term of 3 years, two for 2 years and one for 1 year. At all subsequent Annual Meetings, the term of office for elected Directors will be 3 years.

ARTICLE 9

DECLARANT'S SPECIAL RIGHTS

9.1 General. Declarant is undertaking the work of developing Lots and other improvements within Champion Village. The completion of the development work and the marketing and sale of the Lots is essential to the establishment and welfare of the Property as a residential community. Until the Homes on all Lots on the Property have been constructed, fully completed and sold, with respect to the Common Areas and each Lot on the Property, the Declarant shall have the special rights set for in this Article 9.

9.2 Marketing Rights. Declarant shall have the right to maintain a sales office and model on one or more of the Lots which the Declarant may or may not own, to be staffed by the employees of the Declarant or any licensed real estate sales agents. The Declarant and prospective purchasers and their agents shall have the right to use and occupy the sales office and models during reasonable hours any day of the week. The Declarant may maintain a reasonable number of "For Sale!" signs at reasonable locations of the Property, including, without limitation, the Common Area.

9.3 Declarant's Easements. The Declarant has reserved easements over the Property as more fully described in Article 3.4, Sections (c) and (d) hereof.

9.4 Appearance and Design of Champion Village. Declarant shall not be prevented from changing the exterior appearance of the Common Area, including the landscaping or any other matter directly or indirectly connected with project in any manner deemed desirable by Declarant, provided that the Declarant obtain governmental consents required by law. The construction and material standards of Article 4 notwithstanding, Declarant may change exterior and/or interior designs from initial plans and provisions in this document, without notice. This may include designs, colors, and type of materials, provided Declarant obtains any necessary governmental consent.

9.5 Construction by Declarant. All construction by Declarant is presumed to have been approved by the ARC and to meet any Design Guidelines of the Association.

ARTICLE 10

FUNDS AND ASSESSMENTS

10.1 Purpose of Assessment. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners and Occupants and for the improvement, operation and maintenance of the Common Area, Easement Areas, Association Landscaping, and Common Home Exteriors, including maintenance, insurance and administrative costs for Association.

(a) Common Expense Designations. Common Expenses of the nature described in Section 10.1 which are to be, or are, incurred by the Association

for the benefit of all of the Owners of Lots within the Property shall be separately budgeted for allocation among all such Owners and shall be designated "General Common Expenses".

(b) Insurance by the Association. The Board shall obtain, and maintain in effect, from reputable insurance companies authorized to do business in the State of Oregon, public liability insurance with respect to all the Common Area, if any, in such amounts and in such forms as the Board deems advisable to provide adequate protection for bodily injury, including deaths of persons, and property damage, whether caused by the negligence of the Association or otherwise; provided, however, that such policy(ies) shall not be for an amount of less than \$1,000,000.00 per person, per occurrence, and that such policy(ies) shall provide that the coverage thereunder cannot be canceled or substantially modified without at least 10 days' written notice to the Association. Additionally, the Association shall obtain, and maintain in effect, from such companies fire and extended coverage casualty insurance (including coverage for damage resulting from vandalism and malicious mischief) with respect to each Building Structure, Outdoor Living Area, and the Common Areas (including any insurable improvements in the Common Areas) in an amount equal to 100% of the replacement cost thereof. The casualty coverage may be obtained on a "blanket" basis. The Association may, but shall not be obligated to, include some or all Betterments within the coverage of such casualty policy. The Association may obtain such other and further policies of insurance as it deems advisable. The named insured on the policy may read "Champion Village Owners' Association." The casualty insurance to be obtained by the Association pursuant to this section 10.1(b) shall include the following terms, if the Board determines they are reasonably available:

(i) A waiver of subrogation by the insurer as to any claims against the Board, any Owner, or any guest of an Owner;

(ii) A waiver by the insurer of its right to repair and reconstruct instead of paying cash;

(iii) A provision that no policy may be canceled, invalidated, or suspended because of the action of an Owner;

(iv) A provision that no policy may be canceled, invalidated, or suspended because of the conduct of any director, officer, or employee of the Association unless the insurer gives the Association a prior written demand that the Association correct the defect and allows the Association a reasonable time to make the correction; and

(v) A provision that any "other insurance" clause in any policy shall exclude from its coverage all owners' policies.

At the discretion of the Board, the Corporation may purchase and maintain insurance on behalf of any person who is or was a Director, Officer, employee, or agent of the Corporation, against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify him or her against such liability under the provisions of the Articles of Incorporation of the Corporation.

(c) Insurance by the Owners. The insurance described in paragraph 10.1(b) does not provide personal liability coverage, or fire or extended coverage insurance for the Owners' personal or real property and some or all Betterments. The responsibility for obtaining such coverages rests solely with the individual owners. Each Owner of a Lot must obtain, and maintain in effect, from reputable insurance companies authorized to do business in the State of Oregon, public liability and property damage insurance with respect to the Lot upon which the Owner's Home is located. Additionally, each Owner is strongly encouraged to obtain and maintain in effect, from such companies fire and extended coverage casualty insurance (including coverage for damage resulting from vandalism and malicious mischief) with respect to all personal property and insurable improvements located on such Lot, including Betterments, other than the elements of the Building Structure covered by the Association's policy.

10.2 Covenants to Pay. Declarant, on behalf of each and every subsequent Owner of any Lot, covenants and agrees that each Lot will pay the Association the assessments and any additional charges levied pursuant to this Article 10.

10.3 Funds Held. The assessments collected by the Association shall be held by the Association for and on behalf of each Owner and shall be used solely for the operation, care and maintenance of Champion Village as provided by this Declaration. Upon the sale or transfer of any Lot, the Owner's interest in the funds shall be deemed automatically transferred to the successor in interest of such Owner, and is not refundable.

10.4 Basis of Assessments and Commencement of Assessments. Assessments are to be levied against all Lots, except those owned by the Declarant, whether or not such Lots have been improved with a substantially completed Home; provided, however, that no Assessment shall be levied against any Lot until such time as it is first sold to a purchaser other than Declarant or Declarant's assignee. Assessments for all Lots conveyed by the Declarant to purchaser/Owner, either by deed or land sales contract, shall begin on the day of the recording of the deed or land sale contract conveying or contracting to convey the Lot of the new Owner.

10.5 Annual Assessments. Annual or monthly assessments for each fiscal year shall be established when the Board approves the budget for that fiscal year. Annual assessments shall be levied on a fiscal year basis. The fiscal year shall be the calendar year unless another year is adopted by vote of the Board members. Unless otherwise specified by the Board, annual assessments shall be due and payable in monthly installments on the first day of each month during the term of this Declaration.

(a) Budget. Regardless of the number of Members or the amount of assets of the Association, each year the Board shall prepare, approve and make available to each Member a pro forma operating statement (budget) containing: (i) estimated revenue and expenses on an accrual basis; (ii) the amount of the total cash reserves of the Association currently available for replacement or major repair of the Common Area and for contingencies; (iii) an itemized estimate for the remaining life of, and the methods of funding to defray repair, replacement or additions to major components of the Common Area; and (iv) a general statement setting forth the procedures used by the

Board in the calculation and establishment of reserves to defray the costs and repair, replacement or additions to major components of the Common Area. For the first fiscal year, the budget shall be approved by the Board no later than the date on which annual assessments are scheduled to commence. The Board shall distribute a copy of the budget thereof to each Member, together with written notice of the amount of the annual assessments to be levied against the Owner's Lot, not less than thirty (30) days and not more than ninety (90) days prior to the beginning of the fiscal year.

(b) Allocation of Assessments. The total amount in the budget shall be charged equally against all sold Lots as annual assessments.

(c) Other Assessments. In addition to all assessments described in this Article 10, the Association shall assess all Lots for costs and expenses incurred by or at the direction of the Board for upkeep and maintenance of the exterior walls, exterior paint and roofing, and exterior maintenance of the front and street side yards, including street frontage planter strips of all Homes, In addition to the maintenance fund and the reserve fund described above, separate funds are hereby established for receipt, administration and distribution of proceeds arising from assessments against all Lots related to the upkeep and maintenance of the exterior building and landscape maintenance described above. Such assessments will be fixed annually in accordance with the general budget guidelines outlined in Section 10.4(a) above for the general association assessment. These maintenance responsibilities shall be subject to the same terms and conditions as the regular or special periodic assessments described above. A reserve study required in Section 10.5(b) below shall incorporate these maintenance responsibilities. Exterior wall painting is to include any trim. All doors, windows and any skylights, including frames, glass replacement and cleaning are to be the responsibility of Owners.

(d) Penalties and fees. The Board may establish monetary penalties, fines, and late fees in conjunction with the Rules and Regulations as it deems appropriate. Any monetary penalty, fine, or fee shall become an additional assessment due as of the date of notice.

(e) Non-Waiver of Assessments. If before the expiration of any fiscal year the Association fails to fix annual assessments for the next fiscal year, the annual assessments established for the preceding year shall continue until a new annual assessment is fixed.

10.6 Reserve Funds

(a) Reserve Fund for Replacing Common Elements. Declarant shall establish a reserve fund in the name of the Association for replacement, in whole or in part, of any improvements located in, on, or under the Common Area or Lawns for which the Association is responsible pursuant to this Declaration, that will normally require replacement in more than three (3) and fewer than thirty (30) years, for any exterior painting to the extent the Common Area improvements include exterior painted surfaces, for other items, whether or not involving the Common Area, if the Association has responsibility to maintain the items, and for other items for which reserves are required by the Declaration or Bylaws ("Reserve Fund"). The Reserve Fund need not include those items that could reasonably be funded from the maintenance fund or operating assessments, or for which one or more

Owners are responsible for maintenance and replacement under the provisions of this Declaration or the Bylaws. For purposes of funding the Reserve Fund, Declarant initially, and thereafter the Association, shall impose an assessment to be called the "Reserve Fund Assessment" equally against each Lot. The Reserve Fund Assessment shall be based on the reserve study, and updates thereof, described in Section 10.5(b), or other sources of reliable information. Nothing herein shall limit the authority of Declarant or the Association to establish other separate and unrelated reserve funds that are funded by assessments for reserves that are in addition to the Reserve Fund or that relate only to a particular type or category of Lot. The Reserve Fund shall be kept separate from other funds and may be used only for the purposes for which reserves have been established as specified in this Section.

After the Turnover Meeting, the Board may borrow funds from the Reserve Fund to meet high seasonal demands on the regular operating funds or to meet other unexpected increases in expenses. Such funds borrowed from the Reserve Fund shall be repaid from regular annual or special assessments against the Lots, if the Board has adopted a resolution, which may be an annual, continuing resolution, authorizing the borrowing of funds. Not later than the adoption of the budget for the following year, the Board shall adopt by resolution a written payment plan providing for repayment of the borrowed funds within a reasonable period.

The Board may adjust the amount of the Reserve Fund Assessments as indicated by any reserve study or update, and provide for other reserve items that the Board, in its discretion, may deem appropriate. In addition, after the second anniversary of the Turnover Meeting, the Association may elect to reduce or increase future Reserve Fund Assessments by a 75% vote of the Owners.

Except as may be required by law or in the event of a rental occupancy, the Declarant shall not be obligated to pay reserves assessments for a lot held prior to a first time sale of a completed dwelling.

Any funds established for any of the purposes mentioned in this Section shall be deemed to be within the Reserve Fund notwithstanding that it may not be so designated by the Board of Directors. The amount of the Reserve Fund shall constitute an asset of the Association and shall not be refunded or distributed to any Owner.

(b) Reserve Study. The Board of Directors shall annually conduct a reserve study, or review and update an existing study, of the Common Area, and Common Home Exterior components to determine the requirements of the reserve fund described in Section 10.5(a) above. The reserve study shall include (i) identification of all items for which reserves are required to be established; (ii) the estimated remaining useful life of each item as of the date of the reserve study; (iii) the estimated cost of maintenance, repair, or replacement of each item at the end of its useful life; and (iv) a thirty (30) year plan with regular and adequate contributions, adjusted by estimated inflation and interest earned on the reserve fund, to meet the maintenance, repair, and replacement schedule. The Reserve Study and projected costs may be done by Declarant or other qualified party at the Board's discretion

and selection provided it adequately includes the components herein described.

10.7 Special Assessments. The Board of Directors shall have the power to levy special assessments against an Owner or all Owners in the following manner for the following purposes:

(a) Deficits in Operating Budget. To correct a deficit in the operating budget, by vote of a majority of the Board;

(b) Breach of Documents. To collect amounts due to the Association from an Owner for breach of the Owner's obligations under the Declaration, the Bylaws, or the Rules and Regulations, by vote of a majority of the Board;

(c) Repairs. To make repairs or renovations to the Common Area if sufficient funds are not available from the operating budget or replacement reserve accounts by vote of a majority of the Board; or

(d) Capital Additions. To make capital acquisitions, additions or improvements, by vote of at least seventy-five percent (75%) of all votes allocated to the Lots.

10.8 Accounts.

(a) Types of Accounts. Assessments collected by the Association may be deposited into at least two (2) separate accounts with a bank, which accounts shall be designated as (i) the Current Operating Account and (ii) the Reserve Account. Those portions of the assessments collected for current maintenance and operation levied under Section 10.4(b) will be in the Current Operating Account and those portions of the assessments collected as reserves for replacement and deferred maintenance of capital improvements into the Reserve Account. Special Assessments shall be deposited into one of the two accounts, whichever is deemed by the Board to be appropriate. Withdrawal of funds for the Association's Reserve Account shall require the signatures of two (2) Directors, or Board approval in the written minutes of the Association.

(b) Reserve Account. The Association shall pay out of the Reserve Account only those costs that are attributable to the maintenance, repair or replacement of capital improvements for which reserves have been collected and held. After the individual Lot Owners have assumed responsibility for administration of the planned community, the Board of Directors may borrow funds from the reserve account to meet high seasonal demands on the regular operating funds or to meet unexpected increases in expenses. Funds borrowed must be authorized by a resolution passed by the Board of Directors, which also outlines the manner of repayment from later assessments. Such resolution may be an annual continuing resolution authorizing the borrowing of funds. Not later than the adoption of the budget for the following year, the Board shall adopt by resolution a written payment plan providing for repayment of the borrowed funds within a reasonable period.

(c) Current Operating Account. All ordinary maintenance and operating expenses shall be paid from the Current Operating Account.

10.9 Default in Payment of Assessments. Enforcement of Liens.

(a) Personal Obligation. All assessments properly imposed under this Declaration or the Bylaws shall be the joint and several personal obligations of all Owners of the Lot to which such assessment pertains. In a voluntary conveyance (that is, one other than through foreclosure or a deed in lieu of foreclosure), the grantees shall be jointly and severally liable with the grantor(s) for all Association assessments imposed through the recording date of the instrument affecting the conveyance. A suit for a money judgment may be initiated by the Association to recover such assessments without either waiving or foreclosing the Association's lien.

(b) Association Lien. At any time any assessment (of any type provided for by this Declaration or the Bylaws) or installment thereof is delinquent, the Association, by and through its Board or any management agent, may file a notice of lien in the deed records of Clackamas County, Oregon against the Lot in respect to which the delinquency pertains. Once filed, such lien shall accumulate all future assessments or installments, interest, late fees, penalties, fines, attorneys' fees (whether or not suitor action is instituted) and other appropriate costs properly chargeable to an Owner by the Association, until such amounts are fully paid. The provisions regarding the attachment, notice, recordation and duration of liens established on real property under ORS 94.704 to 94.716, as the same may be amended, shall apply to the Association's lien. The lien shall be foreclosed in accordance with the provisions regarding the foreclosure of liens under ORS Chapter 88. The lien of the Association shall be superior to all other liens and encumbrances except property taxes and assessments, any first mortgage, deed of trust or land sale contract recorded previously to the Association's notice of lien and any mortgage or deed of trust granted to an institutional lender which is recorded previously to the Association's notice of lien.

(c) Interest, Fines, Late Fees, and Penalties. The Board in its reasonable discretion may from time to time adopt resolutions to set the rate of interest, and to impose late fees, fines and penalties on delinquent assessments or for violations of the provisions of this Declaration, the Bylaws, any Rules and Regulations, and any rules and regulations adopted by the ARC. The adoption of such impositions shall be communicated to all Owners in writing not less than thirty (30) days before the effective date by a notice mailed to the assessment billing addresses of such Owners. Such impositions shall be considered assessments which are lienable and collectible in the same manner as any other assessments. Provided, however, no fine or penalty for violation of this Declaration, the Bylaws or any Rules and Regulations (other than late fees, fines or interest arising from an Owner's failure to pay regular or special assessments) may be imposed against an Owner or his Lot until such Owner is given an opportunity for a hearing as provided in Section 4.25.

(d) Acceleration of Assessments. In the event an Owner is delinquent in payment of any assessment or installment on any assessment, the Association, upon not less than ten (10) days written notice to the Owner,

may accelerate the due date of the full annual assessment for that fiscal year and all future installments of any special assessments.

(e) Association's Right to Rents/Receiver. In any foreclosure suit by the Association with respect to such lien, the Association shall be entitled to collect reasonable rent from the defaulting Owner for the use of his Lot or shall be entitled to the appointment of a Receiver. Any default by the Owner in any provisions of the Declaration or Bylaws shall be deemed to be a default by the Owner of any mortgage to which the Owner is party or to which the Lot is subject.

ARTICLE 11

GENERAL PROVISIONS

11.1 Records. The Board of Directors shall preserve and maintain minutes of the meetings of the Association, the Board and any committees. The Board of Directors shall also keep detailed and accurate financial records including individual assessment accounts of Owners, the balance sheet, and income and expense statements. Individual assessment accounts shall designate the name and address of the Owner or Owners of the Lot, the amount of each assessment as it becomes due, the amounts paid upon the account, and the balance due on the assessments. The minutes of the Association, the Board and committees, and the Association's financial records shall be reasonably available for review and copying by the Owners. A reasonable charge may be imposed by the Association for labor and materials relative to providing copies.

11.2 Indemnification of Directors, Officers, Employees and Agents. The Association shall indemnify any Director, officer, employee or agent who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by the Association) by reason of the fact that he is or was a Director, officer, employee or agent of the Association or is or was serving at the request of the Association as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by said person in connection with such suit, action or proceeding if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or with a plea of nolo contendere or its equivalent, shall not of itself create a presumption that a person did not act in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interest of the Association, and with respect to any criminal action or proceedings, had reasonable cause to believe his conduct was unlawful. Payment under this clause maybe made during the pendency of such claim, action, suit or proceeding as and when incurred, subject only to the right of the Association to reimbursement of such payment from such person, should it be proven at a later time that such person had no right to such payments. All persons who are ultimately held liable for their actions on behalf of the Association as a Director, officer, employee or agent shall have a right of

contribution over and against all other Directors, officers, employees or agents and members of the Association who participated with or benefited from the acts which created said liability.

11.3 Enforcement: Attorneys' Fees. The Association and the Owners within the Property or any mortgagee on any Lot shall have the right to enforce all of the covenants, conditions, restrictions, reservations, easements, liens and charges now or hereinafter imposed by any of the provisions of this Declaration as may pertain specifically to such parties or owners by any proceeding at law or in equity. Failure by either the Association or by any Owner or mortgagee to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of their right to do so thereafter.

11.4 Severability. Invalidation of any one of these covenants, conditions or restrictions by judgment or court order shall not affect the other provisions hereof and the same shall remain in full force and effect.

11.5 Duration. The covenants, conditions and restrictions of this Declaration shall run with and bind the land for a term of thirty-five (35) years from the date of this Declaration being recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless rescinded by a vote of at least ninety percent (90%) of the Owners and ninety percent (90%) of the first mortgagees; provided, however, amendments which do not constitute rescission of the planned development may be adopted as provided in Section 11.6 below. Additionally, any such rescission which affects the Common Area shall require the prior written consent of the City of Sandy, Oregon.

11.6 Amendment. Except as otherwise provided in Sections 11.5, 11.8, and the restrictions set forth elsewhere herein, this Declaration may be amended at any time by an instrument approved by not less than seventy-five percent (75%) of the total votes for all Lots subject to this Declaration, of each class of members that are eligible to vote. However, during the period of time prior to the Turnover Meeting, Declarant has right to amend the Declaration, Bylaws, and Articles of Incorporation without notice to or approval by any Class A members. Any amendment must be executed, recorded and certified as provided by law. Provided, however, that no amendment of this Declaration shall affect an amendment of the Bylaws or Articles without compliance with the provisions of such documents, and the Oregon Non-Profit Corporation Act. Provided further, so long as the Declarant own any Lot, no amendment affecting the general plan and development or any other right of the Declarant herein contained maybe affected without the express written consent of the Declarant or its successors and assigns.

11.7 Release of Right of Control. The Declarant may give up their right of control in writing at any time by notice to the Association.

11.8 Unilateral Amendment by Declarant. The Declarant may amend this Declaration in order to comply with the requirements of the Federal Housing Administration of the United States, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Mortgage Loan Corporation, any department, bureau, board, commission or agency of the United States or the State of Oregon, or any other state in which the Lots are marketed and sold, or any corporation wholly owned, directly or indirectly, by the United States or the State of Oregon, or such other state, the approval of which entity is required in order for it to insure, guarantee or provide financing in connection with development

of the Property and sale of Lots. Prior to the Turnover Meeting, no Declarant amendment shall require notice to or approval by any Class A member.
